Panel Discussion: Becoming A Global Citizen

As the Covid-19 pandemic unfolds dramatically, we learn one important lesson - the world must heed the calling to come together as one. In social media, we hear the voices of medical workers, grassroots, volunteers and many more speaking to save lives, raise hope and restore humanity. This is the simple but inspiring power of speech as a global citizen.

We shall explore what it means to be Citizens of the World; what are the values and the attributes. Come and listen from difference perspectives as Rotaractors and Rotarians.

If you desire to know how you can get involved in local, national and global communities to make a difference in their lives, catch 'LIVE' the panel discussion hosted by Rotary Eclub of 3310.

The Panelists include World Speech Day Founder Simon Gibson from UK, Founding President of World Speech Day (Singapore) Dr Ernest Chen and Past President Ching Kwock Wing.

The 1-hour event is moderated by Charter President Chew Ban Seng on 12 May 2020, 5pm at <https://www.youtube.com/watch?v=rqP52uW0UmE>

SEE YOU SOON!!
